

We're Your Source for Roll Labels

We have the ability to print millions of roll labels per day!

Custom Roll Labels for Health and Beauty

When it comes to custom health and beauty labels, we are your Source. The Print Source, Inc. prints a broad spectrum of labels for health, beauty, and personal care products. Every product presents its own unique labeling challenges, and perhaps none

more so than health and beauty products. The Print Source, Inc., has the experience and expertise to deliver custom labels for your health, beauty, and personal care products that will meet or exceed your expectations.

- Waterproof labels for products used in the bath or shower.
- Special papers and films such as paper, foil or vinyl are available for unique applications.
- We have label options for squeezable and semi-squeezable bottles and tubes. Special adhesive resists edge lifting and bubbling.
- Flexographic printed roll labels offer a wide range of color options - up to 8 spot colors or full color process.
- Roll Labels are easy to dispense. You choose the direction of the unwind for ease of use with your application equipment.
- Chemical resistant soap & skin care labels.
- Gloss or matte varnish or lamination.
- We can help you find the roll label that best fits your needs.
